10. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,
For and on behalf of the Board
Global New Material International Holdings Limited
SU Ertian
Chairman and Chief Executive Officer

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Buy-back Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,248,441,781 Shares and there was no treasury Share.

Subject to the passing of the ordinary resolution set out in item 8 of the Notice in respect of the granting of the Share Buy-back Mandate and on the basis that no further Shares are issued or bought back before the Annual General Meeting, i.e. being 1,248,441,781 Shares, the Directors would be authorised under the Share Buy-back Mandate to buy back, during the period in which the Share Buy-back Mandate remains in force, a total of 124,844,178 Shares, representing 10% of the total number of Shares in issue (excluding treasury Shares) as of the date of passing of the relevant resolution.

2. REASONS FOR SHARE BUY-BACK

The Directors believe that the granting of the Share Buy-back Mandate is in the best interests of the Company and the Shareholders.

Shares buy-back may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders.

3. FUNDING OF SHARE BUY-BACK

The Company may only apply funds legally available for share buy-back in accordance with its Memorandum and Articles of Association, the laws of the Cayman Islands, the Listing Rules and/or any other applicable laws, as the case may be.

4. IMPACT OF SHARE BUY-BACK

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2025) in the event that the Share Buy-back Mandate was to be carried out in full at any time during the proposed buy-back period. However, the Directors do not intend to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous 12 months up to and including the Latest Practicable Date were as follows:

Month	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2025		
April	4.42	3.36
May	4.07	3.64
June	5.05	3.85
July	5.97	4.65
August	5.17	4.30
September	5.07	4.30
October	5.09	4.32
November	8.01	5.26
December	11.25	7.80
2026		
January	10.34	7.59
February	10.11	6.81
March	9.16	7.04
April (<i>up to the Latest Practicable Date</i>)	8.25	6.88

6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Directors will exercise the power of the Company to buy back Shares pursuant to the Share Buy-back Mandate in accordance with the Listing Rules, the Memorandum and Articles of Association and the applicable laws of the Cayman Islands.

The Company has confirmed that neither the Explanatory Statement nor the proposed Shares buy-back has any unusual features.

7. STATUS OF BOUGHT-BACK SHARES

Shares bought back by the Company may be held by the Company as treasury Shares or cancelled as determined by the Directors, depending on the market conditions and the Group's capital management needs at the relevant time of the buy-backs.

For any treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the treasury Shares deposited with CCASS; (ii) in the case of dividends or distributions, withdraw the treasury Shares from CCASS, and either re-register them in its own name as treasury Shares or cancel them, in each case before the record date for the dividends or distributions; and (iii) take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury Shares.

8. TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Dr SU, the Chairman of the Board, was interested and deemed to be interested in 451,650,597 Shares, representing 36.17% of the total issued share capital of the Company.

On the basis that (i) the total issued share capital of the Company (being 1,248,441,781 Shares) remains unchanged as of the date of the Annual General Meeting and (ii) the shareholding interest of Dr SU in the Company (being 451,650,597 Shares) remains unchanged immediately after the full exercise of the Share Buy-back Mandate, in the event that the Directors exercise the proposed Share Buy-back Mandate in full, the shareholding of Dr SU would be increased to 40.20% of the total issued share capital of the Company. The Directors consider that such increase in shareholding would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors do not propose to exercise the Share Buy-back Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

9. SHARE BUY-BACK MADE BY THE COMPANY

During the 6 months prior to the Latest Practicable Date, the Company had not bought back any of the Shares (whether on the Stock Exchange or otherwise).
